ON LICENSE 050071311

REF: 2006 BLUE LANTERN GUIDEBOOK

¶1. This is an Action Request. See paragraphs 2-4.

¶2. The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests Embassy's assistance in conducting a post-shipment check on license 050071311 for the export of miscellaneous F-4 aircraft spare parts to Japan. Embassy is requested to complete this Blue Lantern check within 45 days. Lack of response to a Blue Lantern check will affect pending and future licenses involving parties to this license.

¶3. Reason for request: Confirm that all foreign parties are cited on the license.

¶4. ACTION: Embassy is requested to make inquiries with the appropriate officials from the Japanese Ministry of Defense (JMOD) to confirm its order of the items on this license and determine whether or not there are additional Japanese parties to this transaction. The Department requests that Embassy conduct a site visit to Global Gate, Inc. in order to provide an assessment of its business operations, on-site security, and general reliability as a recipient of United States Munitions List (USML) items. Global Gate, Inc. POC is Fred Kawashima 81-3-5574-0911, purchase order No. 0164. The following questions are offered as suggested guidance with Global Gate, Inc.:

Can Global Gate, Inc. provide documentation from the JMOD establishing it as the end user of these items? Does the company have an established, legitimate customer base to which it plans to sell these commodities? Does the company keep proper, detailed records of its sales and customers? Does the company understand the restrictions on USML articles, particularly regarding re-export and retransfer?  
END ACTION.
